TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

[L. S.]

To the Inhabitants of the Town of Barnstead in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Barnstead on Tuesday, the 14th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. As recommended by the Budget.
3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to allow a discount on property taxes paid on or before the first Saturday of July next.
5. To see if the Town will vote to authorize the Selectmen to buy Liability Insurance on Town Labor, and pay the same out of the Highway Dept.
6. To see if the Town will vote to pay a salary to the Tax Collector amounting to 1% of all taxes collected and paid to the Treasurer in each current year.

7. To see if the Town will vote to allow legalized Beano.

8. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and fifty.

JOHN C. VARNEY,
JOHN O. EMERSON,
JOHN M. SARGENT,

Selectmen of Barnstead.

A true copy of Warrant—Attest:

JOHN C. VARNEY,
JOHN O. EMERSON,
JOHN M. SARGENT,

Selectmen of Barnstead.

AUDITOR'S REPORT

We the undersigned Auditors for the Town of Barnstead, certify that we have examined and audited the books and accounts of the Selectmen, Tax Collector, Town Clerk, Treasurer, Road Agents, and Library Trustees for the year ending December 31, 1949. We find them correctly cast, properly vouched and balanced.

HARRY F. SEWARD,
R. C. THOMPSON,

Auditors.

REPORT OF THE FOREST FIRE WARDEN

Forest Fires — Our Most Shameful Waste FOREST FIRES—OUR MOST SHAMEFUL WASTE

Everyone apparently fears fire, but too many are careless with it. This is particularly true of fires in and near woodlands. Official figures show that more than 98 percent of all forest fires result from human carelessness and can be prevented. Consequently, we may say "Forest Fires are our most shameful waste."

Annual forest fire losses are tremendous and their effects far reaching. Such fires destroy the raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of fires small but the number of fires is increasing. In 1949 there were 100 more fires in New Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public—YOU!

The primary objective of all fire fighters is PREVENTION—fire stoppage. This is the goal toward which your local forest fire warden and his deputies are constantly working. It can be achieved ONLY if YOU and YOU and YOU cooperate with them. It is worth YOUR effort and can be accomplished by:

1. Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
2. Securing the required written permit from the

warden when the ground is not covered with snow.

3. Insisting that others be careful and comply with burning requirements.
4. Calling the warden promptly when fire is detected and aiding him to extinguish it.

Let's reduce the number of forest fires and eliminate our most shameful waste.

1949 Fire Record:

Number of Fires—0.

Acreage Burned—0.

Number of fire permits issued—65.

Respectfully submitted,

ARCHIE N. CANFIELD,

Forest Fire Warden.

THOMAS J. KING,

District Chief.

B. REPORT OF THE SUPERINTENDENT

1. Problems and Conditions General to the Union

By the time this report reaches you, interested citizens in all of the six districts in this Union will have had an opportunity to study and evaluate their schools. Through this medium, far more has been learned of your schools than could be written in many yearly reports. The evaluation of what your schools are doing and what you want them to do has been determined by you, with the aid of the teachers and students.

You are to be congratulated for your labors, but the satisfaction you have had from doing this splendid job is a greater reward for your effort than any praise which might be given here.

The results of the survey have been, or are being, distributed as they are completed. If you did not receive copies of this material and wish them, they are still available in the several districts.

Your superintendent, teachers and school boards will continue to study these results and, in some cases, many of you will no doubt do the same.

These studies you have done will be the high-light of the school year, 1950-51.

And now for some specific facts which bear repeating. Before writing these, I have gone back to the report of a year ago, perhaps you will care to do the same thing.

Teachers

The teacher question which has been so serious for many years eased more this year, especially in the secondary field. However, our young people will not enter the field unless the salaries are satisfactory.

Normal losses resulted in a turnover of twelve teachers during the summer. One other replacement has been necessary since school began.

A year ago, I pointed out that salaries in this Union were equal to the average for the state. Unfortunately, now, I must report that this is not true for this year. Today, salaries being paid are on an average of \$200.00 under the state average, so our districts did not hold the gains they had made.

Buildings

All of the districts have continued to maintain and improve present buildings. Three more schools have improved lighting. In two schools, all of the floors were refinished. More rooms were painted, and dark shades for moving pictures were installed in five schools. In the last three years, all of the schools but one have had all of the corridors and rooms painted. From here on, this should be an easier job to do just a reasonable proportion each year.

From your own experience, you know that a clean, pleasantly painted and well lighted place in which to work and live is a grand thing.

Maintaining school buildings is no small task, but it is far less costly than building new ones. If you can continue to permit your boards to carry on as they have these past three years, you will not be faced with the problems some districts have.

School Lunches

Hot lunches are important and growing projects in this Union. Facilities have been improved, and for children not yet being provided with this advantage, plans are under advisement to have this service in the months to come.

The Federal Government still pays nine cents

toward each meal served when one half pint of milk is provided and the other food meets certain specifications. Surplus commodities have continued to flow into the Union. This presents a problem, in that no school has adequate storage space and all foods received must be accepted at one place and then distributed to all of the schools in the Union having federally aided programs. Pittsfield High School has been the receiving point for all of these materials and Mr. Prescott, the Principal, and the boys of the school, deserve your thanks for the work they do in handling all of these shipments. The bookkeeping is done in the superintendent's office.

The following foods have been received since September: 20 boxes of honey, 177 boxes of apples, 113 bags of potatoes, 450 cans of peaches, 252 cans of tomatoes, 210 (5lb.) bars of cheese, 320 lbs. of butter, 66 cans of peanut butter and 48 cans of tomato paste. We have been notified that 60 more pounds of butter and 150 boxes of dried milk will be coming in soon.

Instruction

All teachers in the Union attended a four day workshop in reading, under the direction of Dr. Anna Louise Cordts, in September. Three days were credited toward our five days reserved for workshops and one day was contributed from the teachers' time. The districts shared the expense of this venture. It is hoped that the children will receive the benefit from this work on the subject most important of all, reading.

So much interest has been shown by our parents in this workshop that we plan to invite a limited number of parents to participate in future meetings.

Just how we shall use the other two days assigned to workshops for this year has not yet been determined.

Seventy per cent of your teachers took courses during the summer, or are taking courses now. To help your teachers improve through professional training, a course was given the first half of this year in Wolfeboro and two courses are planned for this half of the year, with one in Alton and one in Pittsfield. Several other teachers have attended courses in Concord and Tilton.

Your teachers are to be commended on this splendid achievement. It is not easy to find the time to do this professional work and still prepare for the daily job.

Recommendations

Last year was a critical year in education. Neither our National nor our State Legislative bodies saw fit to increase or maintain their support for public school education so the burdon falls on local communities to support the schools by real estate taxes. If this was not in keeping with your views, evidently your legislative representatives did not know it.

The burden of supporting your schools is, therefore, back on real estate, which many people believe unsound, since real estate is believed to-day no longer to be a true measure of ones ability to pay, nor is it an index to the educational needs of a community.

The formula used for the distribution of the \$400,000 of state aid granted is also being questioned and studied.

In this Union, there is a wide variance in the amount of taxable property behind each pupil: Tuf-tonboro pupils have \$18,000, Alton pupils have \$16,000, Wolfeboro pupils have \$8,700, New Durham pupils have \$7,600, Pittsfield pupils have \$6,800, and Barnstead pupils have \$5,400.

Supporting your schools is your problem but the same principle applies as you and I must face each day when we purchase that product which fits our pocket-book. You alone must, therefore, determine the kind of educational expenditures that will be made.

Just how much support you will give your schools will depend upon what you believe you can afford. New Hampshire legislature believed the state could not provide \$1,600,000 more for education this year, yet, a few weeks later a state business firm raised its rates which will take from New Hampshire citizens \$1,750,000. This company believed that we had the money and would spend it for their product.

America cannot afford good schools, yet according to the World Almanac, United States citizens spent in 1947 for:

Jewelry,	\$1,203,000,000.00
Alcoholic drinks,	9,600,000,000.00
Mutuel betting,	1,830,287,455.00
Amusements,	1,378,000,000.00
Cigarettes,	9,600,000,000.00
Total,	\$23,611,287,455.00
Schools,	\$2,452,581,036.00

New Hampshire liquor stores took in \$15,018,184.00 last year. Approximately \$12,500,000.00 was spent on beer, \$47,413,360.00 was spent on Pari-mutuel betting. These three items total, \$74,931,544. New Hampshire spent for public schools last year, \$14,453,324.15. To those who believe that education is essential to democracy, these figures are discouraging. It would seem that our austerity is being applied more vigorously in some fields than in others, and it is a choice each of you should make with solemn consideration.

History relates that John Stark left his plow in

the furrow when the call came from Lexington. What if he had squinted at the sun, scratched his head and muttered to his horse, "I calculate other folks can handle it."

2. The Local Situation

During the past year both of your schools have been painted on the outside, and one room was painted inside. New doors were installed at the Center School and panic bars have been placed on the doors of both Center and Parade Schools.

The dry summer and fall resulted in a scarcity of water at the Center. While the well has been cleaned, the supply is still limited. You are to be given an opportunity to discuss this question at the annual school meeting, along with the problem of hot lunches.

Music, instituted in your schools last year, continues to be offered again this year, under Mrs. Grau's direction.

Mrs. Cotton attended summer school this past summer at the University of New Hampshire. Mrs. Cotton and Mrs. Alden have been taking an extension course in Concord the first half of this year, and three of the teachers are taking courses the second half of the year.

The forming of the Parent-Teachers group should be a wholesome addition to your school and deserves your support.

PART II. INSTRUCTION

(A) Teachers as of February 1, 1950

<i>Teacher</i>	<i>Position</i>	<i>Enrollment</i>
Forrest Draper	Center, Prin. & Grs. 7 & 8	26
Alma Pitman	Center, Grades 1-4	32
Marguerite Alden	Parade, Grades 5 and 6	24
Dorothy Cotton	Parade, Grades 1-4	24
Total		106

PART III FINANCE

(A) ANNUAL REPORT OF DISTRICT TREASURER

For School Year Ending June 30, 1949

Cash on hand June 30, 1948	
(Treasurer's Bank Balance)	\$3,215.63
Received from Selectmen:	
Appropriations for current	
year	\$12,803.69

PART V. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

(a) Report of School Health Work

*To the Townspeople, School Board and Superintendent
of Schools of Barnstead :*

I am submitting my first report since beginning the school health work with the Barnstead school children, in September.

All pupils have been weighed, measured and given a general inspection since the beginning of the school year. When necessary, individual pupils have been checked and given immediate attention and advice. Home visits have been made in some cases and I do hope to contact and become acquainted with more parents before the year is finished.

At the present date, we are fortunate in having had no epidemics, except many colds just before the Christmas recess. Barnstead was unfortunate in having had two polio cases break out in the town this summer.

The visual tests have been made and notices sent home if defective vision was found. Some children have already been examined by eye specialists and appointments for some others are already underway.

Through the generous donations of the American Legion, it was possible for many children to have necessary dental corrections and fluorine treatments at the dental clinic during the spring term. The dental program is one which should be a must every year as childrens' teeth need annual care to preserve them for adult years. At present, there is some money

available for a dental clinic this year from the local chapter of the Red Cross, but we now have the problem of obtaining a dentist.

The hearing test will be done with the audiometer in the near future.

By the time this report is printed, each child will have had a physical examination including urine test and blood pressure. Dr. George Quinn, of Farmington, N. H. will do these examinations.

In closing, I wish to express my appreciations to the teachers and all who have assisted me since beginning my work in September. In the future, I shall be glad to cooperate when and where necessary for the benefit of our School Health Program.

Respectfully submitted,

(Mrs.) VENITA HARDY, R. N.,

School Nurse.

The following is the report submitted by Miss Ruth Langille for the year 1948-1949 before she left:

Pupils examined	120
Defects found	162—1.3 per pupil
Defects corrected	86—54% of defects
Without defect	58—48% of pupils
Visits to schools	166
Visits to homes	471
Total visits	637
Days spent	47.4
Days due	32
Hours spent	441:05
Travel time	114:39
miles driven 4,102	
at .06	\$246.12

net salary after travel	180.88
Physical examinations	170
Classroom inspections	1274
Individual inspections	442
Weighed	120
Measured	120
Vision tests	136
Hearing tests	120
Treatment home	9
Interviews	34
Business calls	3
Talks	1

The severe measles epidemic with meningitis and ear infection complications took much time in home visits and medical or surgical follow up. Some of the hearing difficulties are still under treatment and whether they will result in permanent hearing loss is not known at this time.

The dental clinic has been successful as far as we got. It was found to be difficult to get the dentist to put a great deal of time in on each pupil at any one appointment and many appointments were necessary. The parents cooperated well with the pay and the American Legion will pay some on each pupil who was unable to do the whole thing.

Most of the vision cases were put under treatment and several were brought in for tonsil operations.

PART VI. SCHOOL CALENDAR FOR 1950-51

1950

- Sept. 1 Principals' Meeting
Sept. 5 Registration of new pupils and teachers' meeting
Sept. 6 School Opens
Oct. 12 School closed—Columbus Day
Oct. 19 and 20 School closed—Teachers' Conference
Nov. 22 School closes at 1:00 P. M.—Thanksgiving Recess
Nov. 27 School reopens
Dec. 22 School closes at 1:00 P. M.—Christmas Vacation

1951

- Jan. 3 School reopens
Feb. 16 School closes at 3:00 P. M.—Mid-winter Vacation
Feb. 26 School reopens
Apr. 13 School closes at 3:00 P. M.—Spring Vacation
Apr. 23 School reopens
May 30 School closed—Decoration Day
June 15 School closes for summer vacation

(Days lost on account of bad weather will be made up beginning June 18 if necessary to complete 180 days of school.)

(Teachers may attend State Teachers' Conventions two days, appropriate County Institutes and Workshops totaling five days. These days are counted as part of the 180 days of school required by law.)

PART VII. WARRANT FOR SCHOOL
DISTRICT MEETING

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Barnstead, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 17th day of March, 1950, at 8:00 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees, in relation to any subject embraced in this Warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other

income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the School District will vote to raise and appropriate an additional sum of one thousand dollars (\$1,000) under Additions and Improvements to Buildings, for the purpose of providing the Center Barnstead School with an artesian well. (Not approved by Budget Committee.)

10. To see if the School District will vote to raise and appropriate the sum of one thousand dollars (\$1,000), eight hundred dollars (\$800.00) of which will be used to make certain alterations and repairs, as well as equipping kitchens for hot lunches at the Center and Parade Schools and two hundred dollars (\$200.00) for which will be used for the maintenance of said hot lunch program. (Submitted without recommendation of Budget Committee.)

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Barnstead, N. H. this 18th day of February, 1950.

JOHN L. COTTON,
WILLIAM JENISCH,
RAYMOND THOMPSON,

School Board.

A true copy of Warrant—Attest:

JOHN L. COTTON,
WILLIAM JENISCH,
RAYMOND THOMPSON,

School Board.
